Dear Ms. Singleton:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. The review raised questions concerning certain information contained in the report(s). An itemization follows:

-Schedule H4 discloses disbursements for event 313-325-383 which are categorized as fundraising expenses; however, Schedule H2 does not disclose the allocation ratio for this event. All committees are required to allocate the direct costs of each fundraising event in which the committee collects both federal and non-federal funds. The costs are allocated according to the funds received ratio and reported on Schedule H2. 11 CFR §§106.5(f) and 106.6(d). Please file a Schedule H2 to disclose the ratio for this fundraising event.

-Schedule H2 of your report indicates that your committee participated in several activities or events during the reporting period. However, there are no corresponding disbursements reflected on your Schedule H4 for these activities or events. If any disbursements were incorrectly reported, you should file an amended Schedule H4 with the correct unique identifying code or title.

Note that you need not include activities on Schedule H2 if there are no corresponding payments made for the activity during the reporting period.

A written response or an amendment to your original report(s) correcting the above problem(s) should be filed with the Federal Election Commission within fifteen (15) days
